

# Accademia Internazionale Coreutica

SEPTEMBER/OCTOBER 2009

**The Accademia Internazionale Coreutica** has started the new school year, after the summer break, with great enthusiasm and some wonderful news.

We have a tremendously exciting year ahead of us with international guests, participation to internationally renowned competitions and most of all we are very proud to announce new **collaborations with two European major companies:**

**“Ballet du Capitole” in Toulouse (France)**

and the

**“Royal Ballet of Flanders” Antwerp (Belgium)**

**Both companies' Directors, Nanette Glushak ( for Ballet du Capitole) and Kathryn Bennetts ( for the Royal Ballet of Flanders) have generously offered to A. I. C.'s students the possibility to join temporarily the companies, take classes with them and watch rehearsals.**

These wonderful opportunities were made possible thanks to the joint effort of **Maestro Massimiliano Greco** (Academy's Music Department Responsible and currently Maestro at the piano at Ballet du Capitole), **Christiane Marchant** ( Royal Ballet of Flanders' Ballet Master) and **Elisabetta Hertel** (Academy's Director).

In October 3 of ours students will be traveling to **Toulouse for a period of 10 days**, whilst in March 6 of them will be going to **Antwerp for one week.**

The two recent collaboration are added to the ones that the Academy has achieved in the past with

**Académie “Nini Theilade” (Lyon France)**

**New Zealand School of Dance**, of which Director **Garry Trinder**, has decided, **generously**, to renew the **4 scholarships**, offered this year to Denise Chiarioni, Caterina Gola, Anna Mercati and Gloria Todeschini, also for 2010. Next August 4 of our students will fly again to N.Z. and live an amazing experience and we are very grateful for it.

**World Ballet Competition, Orlando U.S.A.**, of which **Elisabetta Hertel**, is a **member of the jury** and the **Academy a partner since 2008**

More recent **A.I.C.'s graduate Ashley Brooke Lunn** (winner of the silver medal in 2008 W.B.C. Orlando) has joined the **“National Moravian and Silesian Ballet”** and **currently is preparing the principal role in “Giselle”**, we are congratulating her for this amazing achievement.
